Mission

To further the dialogue, raise awareness, and facilitate access to tangible resources to support the wellbeing and mental health of former collegiate athletes and elevate their capacity to be successful in life beyond sports.

Vision

Every former collegiate athlete will have the resources necessary to be successful in life beyond sports.

The background image shows three young women sitting on the floor in a gymnasium. They are smiling and looking towards the camera. The woman on the left is wearing a white tank top, the woman in the middle is wearing a grey t-shirt, and the woman on the right is wearing a blue t-shirt. The lighting is soft and the overall tone is positive and supportive.

What We Do

Leverage the power of our network's economic, political, and social network to create a community of former collegiate student-athletes who are now recently graduated, experienced, and executive professionals passionate about empowering rising collegiate and collegiate level athletes to cultivate their professional and social wellbeing and mental wellness in preparation for the day they must transition from their sport of choice.
